From hippies, above left, to hula girls, below, and confused jocks, below right, to color blind seniors, above, Liberty students always keep the faculty guessing.
Extreme Spirit

Homecoming would not be complete without Spirit Week. A week when school spirit can be seen everywhere. Monday was the traditional Jersey, Hat and Sun Glasses Day. Senior Bill Burns is the sole amigo on Monday. Tuesday brought with it Hawaiian Day. As they say in Hawaii, “Aloha”. Wednesday was Crazy Day! Sophomore Isa Passey took a walk on the wild side and came as a NERD! Senior, Harvey Yurkovich, expressed his true self as he struts his stuff. Thursday was 50’s and 60’s Day. Liberty students tried to relive the past; fortunately, some of the more mature staff members had no problem remembering their wonder years. The week ended with Red and Gold Day. Students expressed their extreme spirit as the campus was a sea of Red and Gold as students and staff alike wore their colorful outfits. Some even went so far as to show their colors on their faces as red and gold paint and paw prints made their marks on the more ambitious. The week seemed to say “Go Lions!”
Liberty Royalty brightened a cold and rainy day at this year's Homecoming Rally. Christi Andronico, above, was announced as our queen. Right, the king candidates express their fun mood before the rally. Oh, Baby! They look absolutely HOT! Don't you agree?
Sonnet Rodrigues. Jose Ruiz, Shanel Wilson, Dan Fettig, Andi England, Medea Poole and Harvey Yurkoveck are faces of the Court.
On October 25, the Homecoming King and Queen were announced. The school gathered on Ohmstede Field waiting for the festivities to begin. Not even the rain could stop the spirit that ran wild from the crowd. Jose Hernandez and Christri Andronico, above right, show their excitement as they look out at their subjects. Taking their walk down the aisle are Amy Arata and Bill Davies, above. The Royal Court surrounds their Queen, right. Homecoming is a tradition that will always be a part of Liberty. It is a day when all of Liberty’s students, past and present, come together as one. A common bond is shared and the Lion’s are a pride once again.
Students, Staff Show Spirit

The faculty at Liberty does not just stand by and watch the festivities at Homecoming, but takes an active part in the rally. They always have smiles on their faces even when they lose, which was often this year. Their pyramid got off to a shaky start, but they did win the tug-o-war. They finished fourth in the tricycle race after pedaling their hearts out and luckily everything was captured on film. Now the agony of defeat is preserved on VHS. Who says you can't be young at heart forever? Our staff certainly proves you can. Any one got any Ben Gay?
Liberty students have expressed ourselves. Whatever we do, we do it with our own personal style. That's what separates us from other high schools. Jennifer Myers, below, and Melanie Borchert, below left, express their excitement at the Homecoming Festivities. Jen Roland, right and April Liebman, below right, express their school spirit as they lead the Seniors to victory. We say what we want, we do what we need too, but we always do it with class and say it with style all our own. Our advice to you: Do what you want, but do it with expression.
Above and left Monique Renslow, Lynnette Bruno, and Andi England show the different faces of Homecoming Week from contemplation to sharing to strain.

Melissa Wells expresses her Homecoming spirit for the Class of '92

Bonnie Tilton seems to enjoy the wet weather at Homecoming.
The Homecoming Rally is one of the highlights of the year. The tricycle race was won by the Class of '92. Luis Lino and Celia Villalobos complete the last leg and lead the seniors to an uncontested victory. Teacher John Renteria pedales to his heart's content in the trike race. The sophomores won the tug-of-war but, then lost to the staff after a tough battle. Debi Biron tugs with a smile during a nasty battle with the Sophomore Class. Ending the games were the juniors and their first place win in the pyramid contest. The seniors may not have won, but they sure had fun tryin'. Next came the class yells- they rocked the field, the seniors were the class that yelled their way to victory!
Mascot, Susan Caraphinha, and her mother try to figure out how to work their camcorder while the Senior Class watches the Homecoming activities.

David Metez on left and Mike Ferreira, along with many others, work diligently to create a most excellent back drop for the Homecoming Court to strut their Homecoming stuff.
Life at Liberty

Students at Liberty are involved in everything. There is nothing we can't do. Jared Drummond, above left, oversees the rally. Shandrea Broussard, above right, hangs a poster while on a spirit mission. Dustin Shwitters, below left, boosts the crowd's spirit with his witty ways at the mike. Missy Baker, below right, works her magic as she dances her way into the hearts of every freshmen guy in the crowd.
During Homecoming the school is a sea of Cardinal and Gold. Everyone is drop dead gorgeous in Red! It brings out the school spirit in all of us. Some even went Bold in Gold!
Dress For Success

Vincent Bedford goes extremely bold doing what he loves most. Above a mysterious student shows how boldly sprited she can be.

The senior boy at left has his love for Liberty painted all over his face. Below Susan Crespo, a junior, gives it all up at the Homecoming Rally. Right: Miss Black America, Ericka Smith, shows just how bold she can be. Homecoming brings out the best in all of us.
It may look like our mothers dress us funny, but it's just one of the many ways that we struggle to express ourselves. David Novero, along with many others and possible saner Liberty students, show their true personalities as they go through another day of school.
Friendship Sparkles on Campus

Friends abound at Liberty as this collection of pictures depict pairs and groups of students sharing their moments together before school, between classes, and at lunch.
Highlighted by Dan Locatelli and Luis Lino, top left, Liberty students share their high school moments with friends as they both watch and participate in the activities offered on campus during Homecoming and at other times.

**Medea Poole**, Emily Sudweeks, Amy Nebergall, and Apryl Bowles share a happy time in the Ohmsted Field Ticket Office during football season.
The pride of the students at Liberty does not end at the football field or with Homecoming, but it is carried into the classrooms. Here the bright and cheery personalities of the students are expressed, along with talent and academic skill. Any high school can have a good football team or an award winning band, but Liberty has that and more. The talents of the students vary as much as the spectrum of colors, but each student uses those talents to better themselves and Liberty. Andrea Rivera, right, sings a sweet sounding melody at Performing Arts Day, held annually for students so that they may see the sights and sounds of the award winning choir, band, and drama club. In Mrs. Anderson's class Shakespeare's MacBeth was reborn. Below, a student becomes a witch contemplating what trouble will boil and bubble in his cauldron. Looks almost real, don't you think so? In the choir room the audience was awed by the newly formed Men's Ensemble. Look out 'Boyz To Men'! In a time when many schools are facing many difficulties, it is nice to know that our school is still on top and moving up. Liberty always rises to the occasion and will always be second to none in the hearts of its past and present students and the faculty.
Jon Clogston above and Vince Bedford below performed together in two extremely bold music compositions at the 1991-1992 Preforing Arts Day at Liberty.

Student Silvia Ortega gazes ahead in class, while below, a student make English Four a little more interesting.
Looking at a Normal Day

Jose Ruis prepares for Soccer practice. The student below looks as if trapped in some kind of foreign introduced trance.

Lyle Ausk above is pictured between class while Chistel Bickford below was pictured while representing FFA.
It is not hard to see why the students and staff believe Liberty is #1. It is because the students and staff make it that way. There are over 25 clubs, over 30 sports teams, and many student body activities. Any and all challenges these activities pose are met by the students and staff. Emily Sudweeks, right, joins the lunch time activities by dressing for spirit points. Below band members play while the cheerleaders entertain.
Always Imitated, Never Duplicated

Always Imitated, Never Duplicated. They are the class of '92 and a major part of the largest color section of a Lion Yearbook ever. This year the Lion annual staff is proud to give you an extremely bold and unique opening and senior section totaling 48 pages with this page marking the end of the opening and the beginning of the senior section. It is only fitting that the class of '92 receives this honor.
Right: Jeannie Beeckman shows her spirit; above: Bertha Chan takes a real bath as a character; left: David Metez and Kim Yglesia chat in the new quad area outside the cafeteria.

Seniors-Class of '92

With 405 students, the Class of 1992 roared onto the Liberty Campus from the feeder schools of Edna Hill (Bobcats), Oakley (Tigers), Knitsen (Knights), and Byron (Tigers), to become LUHS Lions for the first time. 1988-89 was a year of getting use to a new school and making lots of new friends. It was a time for forgetting that they were no longer Bobcats, Tigers, or Knights; they were mighty Lions.

For their first year at Liberty, the class was ably led by Dana Bowles, president; Rochelle Hoffner, vice-president; Joann Farman, secretary, and Nancy Lopez, treasurer. Undaunted by the lack of a single teacher adviser, the Class of '92 took things in stride like the Lions they were becoming and participated in rallies, Homecoming Week, Spring Fever Week, and Winterfest. The lack of an adviser did hamper their efforts both at Homecoming and raising money for future activities. The class worked hard on their first float ever and built a huge lion head on a trailer. With the advice and ample assistance from the other three classes, the freshmen got their float together and did themselves proud in the Homecoming Parade in October. Hampered by no adviser, the freshmen were unable to sponsor any fundraisers on campus or otherwise and faced their second year with a flat treasury. They became the first class in over 20 years to spend their freshmen year without an adviser. The Class of '92 closed out the decade of the 80's with high hopes for a brighter decade in the 90's.

With three candy sales, car washes, and a good-bye gram sale, the Sophomore Class moved closer to their goal of financial security and a super Senior Ball in 92. Led by Monique Renslow, president; Christi Andronico, vice-president; Thresea Kortuem, secretary, and April Liebman, treasurer; and advised by Mr. Mike Jacobsen and Mrs. Carolyn McCaughlin; the sophomores enjoyed their second year in high school. Highlight for most sophomores came with the ordering of their class rings from Richard Dix and Jostens; and then the "long" wait for for them to arrive in the spring.

In the spring, the sophomores and juniors combined to turn the cafeteria into a "paradise" for the annual Sophomore/Junior Prom. The class worked both Friday night and Saturday most of the day with the elaborate decorations. Ruling over the evening were Princess Christi Andronico and Prince Brian Daubin.

During Homecoming the sophomores worked hard to finish third in the float competition. They beat the freshmen in the noontime volleyball contest and took the tug-of-war event on Homecoming Day. They also grabbed a couple of second places in noon-time activities.

Facing their junior year, AP, the PSAT, and other activities and challenges, the sophomores had the satisfaction of knowing that they were "half-way" through their high school years.

Leading the Junior Class was Dan Fettig, president; Christi Andronico, vice-president; Thresea Kortuem, treasurer; and David Novero, secretary; advisors continued to be Mr. Jacobsen and Mrs. McCaughlin.

Although the junior class did not place in the annual Homecoming float competition, their float which read "Drop the Devils" was well thought out and constructed. Due to time constraints, the juniors were not able to put the finishing touches that were necessary to place.

The year, as in true every year, the juniors did their hilarious rendition of our rivals "Top Ten". You may have noticed that there was something missing from the skit. For some time the character "Betty Bondage" had had a prominent role but was deleted by request.

During Homecoming, the juniors competed with the other classes and placed as follows: bat swing, third; egg toss, second; skateboard race, third; tug-of-war, third; tricycle race, second; float, fourth; water balloon toss, first; and volleyball, third.

This year the Junior Class was in the fundraising mood, with candy sales, a car wash, and Santa and Valentine grams which were delivered with candy canes and carnations respectively.

The Sophomore/Junior Prom voted on "Rhythm of the Night" for their theme and the cafeteria was decorated nicely in black and white. The juniors had a pretty good year and were looking forward to a great senior year.

At last, we made it to our Senior Year. We were led by our last set of class officers: Kim Miller, president; Christi Andronico, vice-president; Rochelle Hoffner, secretary; and Medea Poole, treasurer; Mr. Jacobsen and Mrs. Laughlin continued as advisers. The theme "Always Imitated- Never Duplicated" was chosen as the class prepared for the best year of high school.

Our first major activity to tackle was Homecoming of course, the Class of '92 won a majority of the lunchtime activities like baseball bat spin, toilet paper wrap, and the balloon toss. During the rally we were victorious in a runaway win in the tricycle race. Unfortunately the seniors did not win the pyramid building or the tug-of-war, which put a slight damper on the rally. But by dominating in the class yell and by earning major spirit points, we won Homecoming 1992!

The introduction of the Top Ten quickly brightened the gloomy weather. The Class of '92 Top Ten consisted of Amy Arata, Amanda MacDonald, Shanel Wilson, Andi England, Medea Poole, Monique Renslow, Sonnet Rodrigues, Jennifer Roland, Jennifer Myers, Dan Fettig, Bill Davies, Jose Ruiz, Armando Ortega, Bobby Barrios, Yogi Leake, Harvey Yurkovich, Chacho Quezada, Brian Daubin and the Homecoming Queen and King were Christi Andronico and Jose Hernandez. This year the concept of having a top five was eliminated and was one of the many continued on page 203

This was another great year for the Class of '93, with the help of their advisors, Mrs. Larraine Anderson and Mrs. Hilary Pedrotti; and class officers Hilary Strauch, president; Estela Diaz, vice-president; Nancy Sandifer, secretary; and Alice Coelho, treasurer.

The Juniors set their year by changing some traditions and leading the way with new ones, like the Junior Class Homecoming Skit. The Skit was a musical about a Homecoming Queen gone crazy shooting half her classmates.

The Juniors gave it their all during Homecoming Week. Trying their hardest in all activities, they came in first for Pyramids, second in floats, and third in the Tricycle race. As they move on in their high school careers they seem to be doing better each year.

Then the Juniors broke up the Sophomore/Junior Prom, so now it is just the Junior Prom. Instead of a theme for the night they decided to call it "The Junior Prom '92". Also the Juniors held their Prom at Humphrey's, a restaurant on the Antioch waterfront.

The Juniors have been working hard all year striving for higher goals. On their candy sales they sold out before the end of their week.

The Class of '93 is just starting to warm up. They are going to make their Senior year the best year ever.

Tim Groshong eagerly awaits second place in the tricycle race. Sophomores march proudly behind their first place float.
It proved to be a great year for the Class of ’94. Led by Lynnette Bruno, president; Tiffani Cervanka, vice president; Tamara Hawkins, treasurer; Christina Busker, secretary; and Mr. Jerry Black and Ms. Linda Ghilarducci, advisors; the sophomores were able to have another successful year at Liberty.

Homecoming was definitely a success. The Class of ’94 worked hard to finish their float. The hard work paid off as they took first place for a second year. The sophomores’ theme for Homecoming “Liberty Knows Football” “Just Do It” set a positive idea for the Homecoming Game.

Showing their strength the Class of ’94 took first in the tug-o-war and class yell and placed high in other events during Homecoming Week.

The highlight for the Class of ’94 was the Sophomore Hop with the theme, “Set the Night to Music.” For the first time in a number of years, the Class of ’94 held their own dance. It was their chance to have fun after a lot of hard work all year.

Freshmen — Class of ’95

Freshmen- They began the year as the largest frosh class in the history of Liberty. With over 500 students, the Class of 1995 roared onto the campus from the feeder schools of Edna Hill (Bobcats), O’Hara Park (Bulldogs), Knightsen (Knights), and Byron (Tigers), to become mighty Lions.

For their first year at Liberty the class was led by Christian Knight, president; Janel Andronico, vice-president; Angel Epstein, secretary; and Kristin Cash; treasurer.

The Class of 1995 started off on the right foot with the help of Mr. and Mrs. Alex Aiello, advisors. The class took things in stride, like the Lions they had become, and participated in rallies, Homecoming Week, and Winterfest.

Homecoming was a blast for the class as they worked hard to construct their very first float ever. It took a lot of time and hard work, but when their float entitled “Lions, Pride of the Jungle” captured third place in the competition, it made them proud of what they had accomplished.

Getting a start on their treasury, the frosh sponsored a candy sale during their first semester as high school students. Both students and advisors got a taste of fund raising for future years.

As the year progressed there was one thing that the Class of 1995 could not wait till it arrived, that was June 12, they no longer would be freshmen but sophmores.
Every high school has science, English, and math, what separates the good high schools from the also rans is the activities they offer and the student response to them.

With a major face lift of the quad area over the summer, the school became home to more students than ever before and faced the challenge of keeping the spirits high in the traditional activities along with creating excitement for new activities.

The first activity of the year was the newly combined Freshmen Orientation and Walk-Thru. All freshmen along with one or both parents came to the Liberty Gym for their first rally/assembly. They watched skits performed by the leadership class and peer counselors on the do's and don'ts of high school and were provided with valuable information they would later find important. After the assembly, they were given a tour of the campus and then left to go through their first Walk-Thru to pick up their class schedules and information about the school.

The sophomores, juniors, and seniors went through the Walk-Thru the first part of the following week. The annual event gives parents a chance to get reacquainted with Liberty's policies and obtain information on upcoming events at Liberty for parents and students to become involved.

With the beginning of school came the start of Fall Sports and the 2nd annual bonfire. With the blazing fire as a backdrop, the Commissioner of Rallies and Assemblies introduced the football, volleyball, and cross country teams. The spark of the evening events came when the captains of the football team made a sacrifice.

They got a first-hand look at history in the making as it was a trip that combined the education of school along with the enjoyment of youth. They not only learned more about how our government works than could ever be taught in the classroom in California; they also met and made friends with people from all over the nation.

March brought the annual DFIC Exchange, a time when students from Liberty got to visit another school within our league while students from other schools visited us. It gave students a chance to see how other schools run their campus and activities. It also gave students from other schools a chance to see what Liberty is really like to dispel that preconceived notion of us as a bunch of "hick" farmers.

Juniors set a tradition and broke one as well. With their Prom held at Humphreys and separate from the sophomores, the juniors enjoyed the evening on the waterfront. They danced the night away on the shores of the delta showing the joys of youth.

FFA Selects Root as Sweetheart

Heee Haw! Liberty FFA members held their traditional Barn Dance in the Cafeteria this year. Many of the hoe-down goers BOLDLY went to where few ever go... into the hay stack. It sure was a knee slappin' good time to see. Melanie Root was announced as FFA Sweetheart by Don Lopez, advisor. Left: Todd Lewis shows us you don't have to drive a Mercedes to be cool. Liberty Band's trip to Disneyland proved to be one of the highlights for them this year. Diana Valenzuela, drum major, led the group to many competitions including the Oakley Almond Festival, Martinez Colombus Day Parade, and the Lodi Band Review.

Another exciting event this year was the Grand Opening of the Performing Arts Center. With the center came a new band room that provided more space for everything including rehearsal and storage.

The new Allan E. Jones Performing Arts Center opened its door officially for the first time on April 1. The grand opening celebration was highlighted by catered hors d'oeuvres, an ice sculpture, guided tours and an evening of speeches and performances by both students and community members.

Members of the school administration and board members were decked out in black ties and formal gowns as the invitation only evening honored retired band director Allen Jones.

The Performing Arts Center brings a long needed facility to our community.

Many bold new changes took place in this year's choral department. The most exciting would be the opening of the Allen E. Jones Performing Arts Center. With PAC came a new choir classroom as well as the close proximity of a new theater.

Another big change is the addition of a Men's Chorus as well as two new female ensembles. This year's Choir Club Council is led by Gina Swenson and Jennifer Myers.

Michelle Heizer performs in her last Christmas concert.

Both James Bradley and Andrea Rivera received Command Performances at this year's CMEA competition.

This year the traditional Sophomore/Junior Prom was split in two. The Junior Prom was held at Humphrey’s restaurant, while the Sophomore Hop was held in the elegantly decorated cafeteria. Kevin Carpenter and Tiffani Cervanka were crowned prince and princess of the Sophomore Hop. Christine Brockett, Brad Bishop, Leticia Padilla, C.J. Cahayag, Ricardo Ramirez, Melissa Sezar, Brenda Hartsock, and Craig Matthews were members of the Top 5 Court. Everyone that attended either the Sophomore Hop or Junior Prom enjoyed an evening of fun.

Senior Ball '92 was "genius!" It was held on May 22 at the Grand Hyatt Hotel in Union Square, in San Francisco. It began at 8 pm with dinner; dessert was a big hit.

Priced at $100 per couple, the evening was well worth it. One of the best parts was the variety of music provided by the band "The Performers" and their DJ. Couples stayed on the dance floor until past 1 o'clock. Like Senior Balls of the past, the night was filled with limos galore. This added another expense to the already pricey evening. Tuxes, dresses, tickets, flowers, garter, accessories, and hotel rooms were other necessities for many.

One of the night's highlights came when Kim Miller, Senior Class president, presented class advisors, Carolyn McLaughlin and Mike Jacobson, a gift.

With the theme "There Will Never Be Another Tonight," in the air, gowns of sequins filled the ballroom, but the real sparkles came from the smiles on the faces of everyone there. It truly was a night that can be imitated, but never duplicated.

Community Honors, Awards Seniors

Scholarships and awards flowed from the podium as the community honored those seniors who had worked hard for four years.

Held in the new PAC for the first time, the evening was highlighted by the co- valedictorians Medea Poole and Jon Gless and salutatorian Amy Arata.

Following is a list of all recipients and their awards: Kim Abdelnour: LUHS Parents' Club Scholarship; Kathy Alexandra: Byron School PTA Scholarship; Christi Andronico: Daughters of American Revolution Good Citizen Award, Bethel Island Women's Club Scholarship.

This year, the Liberty Union High School Playmakers performed the play 'All The Way Home'. This touching drama about the dangers and the pain of alcohol abuse starred Dani Ladd as Mary Follet and Micheal Garcia as Jay Follet. The cast was under the direction of Mr. Mark Gates, who was assisted by student Nicole Wagner. The cast delivered a stunning performance and their hard work was evident as each performance brought the audience to tears. Right: Dani Ladd portrays Mary Follet in a scene reviewing the financial troubles of the Follets. Below: Sherami Todd and Eric Hanna (Catherine and Joel Lynch) mourn the death of their son-in-law, Jay Follet. Below right: Dani Ladd (Mary Follet) discusses their family problems with her friend Erika Smith (Hanna Lynch). Although no Oscars were awarded for this performance, we feel it was just a minor oversight by Hollywood. Besides, all great actors had to start somewhere even Kevin Costner. Hey, couldn't you see Dani and Micheal as J.F.K and Jackie O in an Oliver Stone sequel? Look out Hollywood, Liberty has some shining stars of its own! Around here we do believe "There's no business like show business!" with the exception of homework, of course.

Antigone Takes New PAC Stage

The Spring Play Antigone was the first play ever performed in the new PAC. This was a great experience for the student actors at our school.

For this play costumes were designed and made by Mrs. Hilary Pedrotti. Mrs. Helen Dixon helped with make-up. Jay Shields assisted as the student stage manager. Directing his final production was Mr. Mark Gates.

This play was about a girl obeying the laws of the gods by burying her brother. When the King, Creon, found out about this deed he had her put to death.
With knowledge that the 1991-92 school year might be Liberty's last year in the DFAL league, everyone had high hopes that the year would bring many achievements in athletics. The year was no disappointment with remarkable talent being shown in every sport. Girls showed their best in softball and basketball while the boys showed their best in wrestling and track.

The fall season brought bold achievements for frosh football and Varsity volleyball teams. The frosh lead their league all the way ending in first place with only one loss. The team was lead by the strength, power and speed of Larry Enos, the most valuable player. Volleyball had a strong season and made it to the playoffs and fourth in league.

In the winter season wrestling expressed its power earning another league title. The team went on to place fifth in the state. Yogi Leake and Paco Rameriz made it to state where they place 2nd and 4th respectively. Yogi went on to nationals, placing 12th in his weight class.

In basketball, the girls dominated over the boys. The girls set out to win the DFAL and achieved their goal after much work and dedication. The girls also won first place in the Stonebarger Tournament. The boys' team had their best season in four years with new coach, Mr. John Radford. With their starting line up consisting of underclassmen they showed bold talent for the future.

Spring saw more people involved in sports than during any other time period. Track and softball had the most successful seasons. Softball once again were division and league champs making it to North Coast ending their season at 25-3. In track, the girls won DFAL. On the boys' team, Louis Lino was the star; with school records in the pole vault, he was the first trackster to ever make it to the second day of state finals; he eventually placed second in the entire state.

The spring season also brought achievements in swimming, tennis and golf. The swimming team had two girls, Erica Clark and Cara Cotter, who placed 17 and 12 respectively at North Coast. They were faced with a coaching change as Stephanie Soltero became the new head coach. Tennis had their best season in six years ending in the upper half of their division. Mike Williams went on to the DFAL playoffs to the second day, losing only to a nationally ranked player. Our tennis and golf teams also had the distinction of being the only coed teams in the league.

Sports in the 1991-92 school year were also presented in a new way with the intramural program under the direction of Mr. Bob Reed. The program was designed to give students, who regularly would not go out for a sport, a chance to play semi-competitively.

continued on page 203
This year's Varsity Football team stomped on the competition to earn a fourth place seat in the DFAL League. Under the leadership of team captains Brian Daubin, Jose Hernandez, Dustin Schwitters, and Harvey Yurkovich the Lions became the "King of the Jungle" on the football field. The Lions stopped the College Park Falcons in their tracks on Homecoming as we won 41 to 27. Nice try Falcons, it must have been open season. Most Valuable player was Jose Hernandez, Most Valuable Back was Brian Daubin, Most Valuable Lineman was Harvey Yurkovich, and Most Inspirational was Fabin Franco, but it was the whole team that brought the crowd to its feet on Friday's on Ohmstede Field.

Volleyball Team Earns Playoff Spot

Winning a berth to the DFAL playoffs highlighted the Varsity Volleyball team’s season in 1991. Led by Juli Russell, Andi England, and Chantelle Dyer, the Lady Lions enjoyed numerous tournaments as well as DFAL play. Coached by Linda Ghilarducci, part of the team spent an awesome vacation playing ball in the Soviet Union.

When it comes to playing with balls, Liberty's Varsity Soccer team definitely has the 'Right Stuff!' This year the team went on to place fourth in the DFAL. The biggest moment in the season and perhaps the most difficult to swallow was the game against Las Lomas. Here's the situation. In order to win a seat at North Coast, the Lion's needed a win against Las Lomas. The game was tied 1-1 until the 2nd half when Las Lomas scored in the last minute of the game. Whew! But Liberty was not without it's victories. The mighty Lion's shut down Campolindo 7-0. Left: Tim Pearson follows the action up field. Below: Nevada Smith gives the ball a thrill. Below left: Dan Fettig kicks and below right: Kevin Carpenter allows nothing in his net. It has been said this soccer team had the strongest, most powerful players in the league, but sometimes some things didn't click. As far as we are concerned this team is *1, without a doubt! They sure clicked with the fans who followed them.

The Stonebager Gym shook this season as the players tore up the court and the fans rocked the stands. This year the Varsity Basketball team was under the direction of a new coach, Mr. John Radford. Coach Radford brought with him a new level of intensity which spilled onto the court and drove the team to their best record in four years. **Above left:** Justin Border, otherwise known as Borrrerrr by the crowd, looks for an open team mate to pass the basket ball to. **Above right:** DFAL leading scorer, Aaron Gonzalves clears his own path to the hoop. Everybody knows this boy can shoot! **Left:** Damien Smith goes up for a three point shot. Schwirling! They make it look like child's play don't they? Seniors Mario Gonzales and Danny Locatelli hammered the basket ball up and down the court many nights as did junior Ross Bomben and sophomore Kevin Carpenter. Congratulations are in order for Aaron Gonzalves who made First Team All-League. And congratulations to the whole team for an outstanding, outrageous and sometimes unbelievable season! Thanks goes out to the fans, who also make the game a little more interesting at times.

Varsity Captures League Championship

All-League Players Tina Kellner, Jen Roland, and Christine Brockett were the key to the Lion's victories this season. The Lion's ran a very strong defense which was also a major part of their success.

The Lady Lions Varsity Basketball team for the 1991-92 season expressed their motto by proving that they were "Champs Not Chumps." The Lady Lions finished the season with a 24-7 record after taking first place in the Diablo Division and first in the DFAL. The Lady Lions had many impressive victories in both preseason and league play. However, their most impressive victory came when they defeated the previously unbeaten Campolindo Cougars, 47-42, in the league championship game. The Lions had a successful preseason defeating such teams as Pittsburg, Antioch, and Carondelet. Also they clinched first place in their own Stonebarger tournament and made it to the second round of the North Coast Section Playoffs. The Lions were lead by DFAL All-League players Jen Roland, Tina Kellner, and Christine Brockett. The Lions finished the season feeling good about their accomplishments and especially about their victory over their long time rival, Campolindo.

Josh Jones grimaces as he struggles to pull his arm free and reverse his fortunes.

Shooting for the leg, Marty Matthews grasps his opponent's arm.
Josh Jones grabs a leg in order to turn his opponent in a home match. The Varsity team was undefeated in league and went on to win the DFAL League Tournament in February.

Dustin Lewis struggles as he tries to gain the upper hand in his match.

This year the Varsity Wrestling Team had an undefeated dual-meet season and easily took the league championship meet qualifying 11 for North Coast.

At North Coast the team captured third place and qualified Yogi Leake, Paco Ramirez, and Josh Nogarr for the prestigious state meet at UOP. At State, the Lions captured eighth place as a team while Yogi gained second place in his weight class. Later, Yogi qualified for the National Meet becoming the first Liberty wrestler ever to do so.

Five outstanding seniors, Yogi, Josh Jones, Jose Hernandez, Louis Racke, and Harvey Yurkovich, leave a super legacy. Head Coach Greg Chappel was ably assisted by Jerry Ray, Roy and Ruben Rios, Al Arlanes, Rudy Valentine, Paul Rice, and Aaron Meadows.

From pitching to fielding to batting, Lion Varsity baseballers display their multitude of talents on their home field.
Starting and ending on winning notes, the Varsity team had their ups and downs in the middle of the league season.

The highlight of their season had to be their final three games as they defeated the number 1, 2, and 3 teams to close out the year.

With young players at key positions, the Lions often faced the wrong end of scoring and had to claw back to stay close and try to win.

The Varsity started league with victories and seemed to be on their way to a great season. Coach Rod Beaver looks to great things from his young squad for next year.

Sean Bevill and Joseph Lilley trot off the field. Tony Fray plays a tough position.

Coming off a fine season, the Lady Lions faced the '92 campaign with many questions and few answers. It did not take long to get some answers to their most pressing questions.

Losing their battery to graduation, the team found an excellent catcher with freshman, Julie Marshall, and a fine pitcher in Julie Vigil.

Preseason saw the Lions topping arch-rival Antioch to return the favor from the year before. The Varsity team also dropped two close contests. Yet the team had not jelled and faced the DFAL title defense.

Eighteen games later, the Lady Lions stood on top of the heap with a perfect 18-0 league record and North Coast facing them.

Ranked second in the state of 2A schools, the Lady Lions won their first two playoff games only to fall to San Marin in the semi-final contest to end a fantastic season.

Lady Lions Take League

Not since 1970 has a Liberty Track Team taken the DFAL Championship. This year, the Lady Lions roared onto the field and tore up the track with their speed, talent, endurance, and determination.

Under the direction of Coach Keith Dawson and Coach Mark Johnson, these fine Lady Lions were someone to reckon with. After a close race for the title last year and a disappointing loss to Acalanes (79-72), these Lions were hungry. Their appetite was finally fed this year as they won 76-71, defeating Acalanes. No victory has tasted sweeter.

The Varsity Boys' team also shocked DFAL by placing fourth at North Coast. Our boys lead the field in pole vault, long and triple jump, hurdles, and mile relay. Liberty has proven it can run faster, jump higher and throw farther than any other team except for the Olympic Team, which incidently has not returned our calls for a practice meet. They must have heard about the dust that settles only after the Lions have ripped the competition. Senior members Tracy DeLany and Luis Lino, along with that 'oh so fine' junior Ross Bomben, have been chosen to represent the United States in Fiji as track all stars. And we all know if it isn't "Made in the USA" it just isn't worth it. We know that this year's track team is worth every bead of sweat shed at practice.

Swimmers Qualify More for NCS

With head coach Stephanie Soltero and assistants, Julie Dooley and Leslie Marquardt, the swim team had a winning season.

The JV girls were led by Dani Ladd and Nicole Daamen as captains. For the Varsity teams, the captains were Amy Arata and Annette Spraggins for the girls and Mark Mokski and Eric Taylor led the guys.

Both teams had winning seasons with outstanding efforts by Kaira Cotter, Erica Clark, Amy Arata, Michele Stone, Krissy Shaffer, Rob Shatting, Mark Mokski, Eric Taylor, and Randy Burns.
The varsity tennis team made remarkable strides forward this year. The team, that in the past has struggled to have enough players, this year had enough for a varsity and jv team.

Liberty, under the coaching of Marihelen Palmer, had the only coed team in the league and was able to finish in the upper half of their division.

The team accomplished this by the strong and constant wins made by Mike Williams, number one singles; and by Pat and Ryan Duncan, number one doubles. Mike went on to the third round of the DFAL Playoffs. With only three seniors leaving the team, next year should be even better.

GO LIBERTY RUN TILL YA DROP
Bold changes happened to the Cheerleaders this year as Varsity Song and Cheerleaders combine to form one single group, now called Show Cheer. Under the leadership of Amanda McDonald, and Amy Arata, Commissioner of Rally Squad, and Jennifer Myers Varsity Head (seen to the right) the Varsity Show Cheer received Block L's for the first time. In the winter the Cheerleaders were invited to participate in an exhibition at Disneyland, a prestigious honor. All three squads showed their spirit day-after-day lifting the morale of the school by their perky presence. The JV squad worked under leadership of Tiffany Cervanka, head, to learn the routines necessary to move up to Varsity. The Freshman squad (seen below) led their class with spirit and pride to help make their class feel at home, at Liberty.

With construction crews frantically busy all summer the campus took on a bold, new look for the arrival of the first students for the yearly walk-thru. The vast quad area between the cafeteria and gym was filled with new lawn areas, sidewalks, and huge planters filled with bushes and trees. The Performing Arts Center seemed to grow almost daily. The opening of school saw only staff on campus as the first of six full SIP days got the year off to an extremely different start.

Nancy Yarborough came on to handle both REACH and Opportunity/Group Dynamics; Velma Gonzalez had her duties expanded to include DATE Coordinator; and Larraine Anderson was tabbed as the new Mentor Teacher in Restructuring. With Jerry Crawford taking health leave, Karen Behrend was hired to take over his Math classes.

Changes were in the air as the some departments were consolidated and new chairpersons were selected to head both the old and new departments.

In the Science Department the chair was passed to Tim McHugh. Carol Aines returned in January and took up the reins of the Special Education Department while both Joanne Nash and Eunice Campbell continued in their role as chairs of the Math and English Departments respectively. Two other chairs, Kaye Axelgard-Reeves and Bill Batze, applied for and were accepted as the continuing chairs for P.E. and Social Studies.

Ken Beck was hired to augment the custodial staff while Debbie Reid became library clerk replacing Diane Linch. New in the Counseling Office was Diane Alborn to replace Angelica Partida.

Heading the two bargaining units on campus for LEA and CSEA were Greg Clappont, president; Mark Johnson, vice-president; Michele LeBlanc, treasurer; and Ann Roggenbuck, secretary; for the certified staff: Sharon Ramirez, president; Mary Odell, vice-president; Charlene Souza, treasurer; and Etta Sanchez, secretary for the classified employees.

Perhaps the biggest change came in the vocational area as the Home Economics, Agriculture, Business, and Applied Arts Departments were consolidated into a single Vocational Arts Department chaired by Bob Gonzalez. Another consolidation was the Fine Arts and Performing Arts Department into a single Visual and Performing Arts Department headed by Sue Stuart. The Foreign Language Department was headed up by Juan Rios.

Graduation has finally come for the Class of 1992. On June 12, Ohmstede Field came alive with excitement as the largest crowd ever viewed the ceremonies. Emotions, along with plenty of tears, ran wild as the seniors made their way to the field.

The procession was lead by valedictorians, Medea Poole and Jon Gless, and salutatorian, Amy Arata. The class speaker was Allen Esquivel whose message struck a chord in everyone. "we will go on... follow your dreams and never be led, but always lead."

Kim Miller, class president, announced the senior gift as a new student park in the P Wing and a new mobile food cart. David Novero, student body president, wished the graduates luck as they pass through Liberty for the final time. Life is what you make it, fortunately this class can make the best of a sticky situation.

Class advisor, Mr. Mike Jacobson, and standin, Micheline LeBlanc, called the names of the students for the last time and this time every senior was listening. After David Metez received his diploma to the cheers of the entire class, Mr. Jacobson requested a moment of silence for Kane Thompson.

Look out world, the Class of 1992 is out there just waiting for opportunity to knock. Because, as we have found, if you have a diploma, opportunity knocks more than once.

GOOD LUCK CLASS OF 1992!

Leadership Welcomes New Advisor

Student leadership this year has been one of the most successful ever at Liberty. The class, composed of ASB officers, commissioners, and members at large reached their goals of improving school pride and public image.

Among the long list of projects for the 91-92 year are the first ever toy drive, two canned food drives, homecoming activities, a paper recycling program, the first annual Spring Barbeque, spring fever week, walk-thru, Winterfest, Adopt-a-Family program, leadership conference, student convention, and more. The class managed to accomplish all this while going through the change. Mr. Dennis Buckley, who had served as director of student activities for over 5 years, was replaced by Mr. Vic Thornhill. Mr. Thornhill brought with him a new enthusiasm which spilled into the class. Hopefully our accomplishments will serve as examples for leadership classes in the future.

Monique Renslow, Amy Arata, and Jennifer Roland lead the first ever Spring Fest activities. Mr. Vic Thornhill takes charge of student nominations.
avid Novero served as student body president and Bill Davies was vice-president.

Allen Esquivel acted as the student body secretary and while Dana Bowles was selected as treasurer.

Advisor: Mr. Bill Batze
After sixty-three years of producing yearbooks, it was time for a change. This year you will find some very dramatic changes in the style and format of our book. It was these changes that set our theme, EXTREMELY BOLD.

Everyone holds very special memories of their years spent at high school, that is why I wanted this book to be as special as the memories we have created in the past year. There has never been a book quite like this, but then there will never be another year like 1992. I often wonder what the future will hold. The past year has proven that nothing is for certain. The recession, the riots in L.A., and the fires in Oakland, all of these events will go down in history as they have made lasting impacts on our society. This yearbook is part of our history and while this book may not have an impact on our society, it will always serve as a reminder of the way we were.

Medea Poole, editor
Liberty students are involved in everything. Whether it is taking tickets for a basketball game or working in the computer lab, our students do it best! Above left, Julie Christensen is busy helping out at a basketball game in Stonebarger Gym. Below left, a liberty student studies in class. Below right, Melanie Borchert gets user-friendly in the Mac Lab. No school has students quite like Liberty's. We are always there to lend a hand. We are full of pride and spirit! At times we may get rowdy, but that's just our way of venting a little extra energy. Just ask any faculty member and they will surely tell you how much they adore us, honest! Liberty will always be our school, and we will always be remembered here. Make no mistake about it we have left our mark! High School lasts four years, which may seem an eternity to some, but let's face it, time flies when you are having fun! Like Michael Jackson says, "Remember the Time". Does that include the time spent in Saturday School?
Students at their best! From helping chart at baseball games, Dana Bowles, to laughing with a show-off friend, Betsy Gonzalez and Harvey Yurkovich, to working in the Mac Lab, or talking with a friend before a game, students show their best sides.
Above: Mike Jacobsen helps out during a Girls' Varsity basketball game in the gym as he assisted with the books. **Right:** Coach Tonya Smith delights in life as she strikes a ballerina pose near the library.

Above: Ann Roggenbuck concentrates on lesson preparation in the newest computer lab on campus in Scott Hall. **Right:** Tim McHugh waves a friendly greeting to the photographer at his front door in the T area near the gym.
Staff, Students Display Light Side

Closing pictures attempt to capture the whole mood of the school year in just a few snapshots. Above two girls display beautiful smiles for the camera while right, Ross Bomben carries his yellow binder and coat and heads cross campus to class.

Above: Nikki Lindsay and Theresa Nickle walk down the north wing of Nash Hall to Scott Hall classrooms; right: Bill Batze waits patiently for the halftime of the Varsity Girls' basketball game so that he can sweep the floors. Mr. Batze worked with Dennis Buckley and Mike Jacobsen at home games during the winter months. This closing section highlights both students and staff as they go about the routine of their lives here on the Liberty campus during the fall and winter months.
These are just some of the faces you will see at Liberty. Everywhere you look, you are sure to see students that take pride in their school. A school that has undergone many changes in the past year. A new quad area, a beautiful Performing Arts Center, and a new entrance to Liberty were just some of the improvements made. Although the school may look different, the students still remain the same. We are as special as the new changes in the school. We are the pride, the backbone, and the spirit of Liberty. With over 1800 students strong, this student body makes Liberty what it is today, most excellent! We all know beauty is only skin deep and what is inside is the only thing that counts. When take a step inside Liberty you will see that the campus looks great, but it pales in comparison to what the students have to offer.
Left: David Tavres has the tables turned on him as he is captured on film for the yearbook: normally David is the one taking the outstanding photographs that appeared in this book. Below: members of the Varsity football team wait, and not so patiently, during an outside rally.

Spring brought a new and well-received activity with a special extended lunch and barbecue on the softball diamond. Students enjoyed the warm, spring days filled with music, volleyball, and class spirit games. With something for everyone, the event went off smoothly and will be continued in the future.

On Election Day, hundreds of students, parents, teachers, counselors, community members, and administrators flooded the new PAC to honor all students with a variety of acknowledgements at the 2nd annual Awards Assembly. Picked as Yearbook Society Senior Female and Male Athletes were Andi England and Jose Hernandez.

With the end of the year came Baccalaureate that brought out the emotional side of Graduation as seniors began to finally realize that high school was almost over for them. It gave them an opportunity to express a more religious side than is usually expressed in school.

As usual Graduation marked the end of another year for the freshmen, sophomores, and juniors; while to the seniors it marked an end of a period in their lives. They no longer had to go to school, they no longer had that morning incentive to get up; their life was now theirs to do as they wished. High school had hopefully prepared them for what they would find in what they referred to as the "real world". It would be an Extremely Bold change for many of them.

continued from page 162

The Board of Trustees saw two new members elected in November as Bob Taylor and Holly Holbrook began four year terms. Phil White became Dr. White with his doctorate of education a reality.

With the restructuring planning turning into a pilot stage, four teachers volunteered to handle the new ninth grade component for the '92-93 school year. Lorraine Anderson, Stephanie Cook, Tim McHugh, and Nancy Wall were preparing to put forth bold efforts to lead the staff as they continued to dedicate themselves to learning outcomes that prepare our students for post-secondary success.

Presenting an extremely different look for '91-92, each department on campus made dual presentations. Devised by Principal Gene Clare every department took a monthly turn to present highlights of their activities to the faculty at large and at Board meetings.

On April 1, the new Performing Arts Center (PAC) was formally dedicated as the Allen Jones PAC. Comments from students and staff over the newest building could have been summed up in a single word "AWESOME".

within the school itself. The program had activities ranging from basketball and volleyball to ping-pong, checkers and other board games.

With the league changes still in doubt and finances in disarray, the Lions faced the future with stout resolve to do better in '93.

changes that the Class of '92 would experience.

Throughout the year, the Class of '92 had a blast with all of their activities like tons of flower parties, the Manteca Water Slides trip, Baccalaureate, Senior Scholarship night, the Senior Breakfast and of course the Senior Ball with the theme of "There Will Never Be Another Night".

The Seniors also played a major part in schoolwide activities like the first ever toy drive, two canned food drives, opening of the PAC, the career fair, and Spring Fever Week with a highly successful barbecue at lunch on Friday.

The year ended on a high note on June 12 with Graduation and Grad Night at Disneyland a few days later. And as our class song goes, "It's so hard to say good-bye".
Farewell Class of 1992

Always Imitated, Never Duplicated. The Class of '92 broke the mold when we first entered Liberty. There has never been and never will be a class like ours. We have proven we are friends until the end. The friendships and the memories we have made will last longer than the four years we spent here. Our beloved and dearly missed friend, Kane Thompson taught us to laugh and to always keep a smile in our hearts. Keep his message in mind when you think of our class.

Senior Annette Sprag-gins sums it up best with this poem. "We relish in the happiness that graduation brings, as you daily dream of fortunes and all sorts of fancy things. May success be ever with you, in everything you do. Give to the world the Best you have and the Best will come back to you." Liberty is giving the world the best it has. It is giving to the world the graduating Class of 1992!
